

FLOORING CONTRACTORS OF THE YEAR

Forté Flooring

Based in Dublin, Forté Flooring create and import engineered and solid timber flooring for residential and commercial spaces. With more than 25 years' experience in the industry, the experts have the skills and knowledge required to help customers make the right decision for their needs. The dedicated team of project consultants are committed to helping clients create something genuinely special and work alongside homeowners and designers on projects across Ireland. Forté Flooring understand the importance of quality and durability when it comes to flooring, which is why they only use the highest quality materials and products from trusted suppliers in the sector.

The judges were particularly impressed by the personalised approach adopted at Forté Flooring, who recognise the need for customised plans when working on unique projects. From the initial design concepts to its final installation, the team work closely with clients to ensure they deliver flooring solutions that meet their needs while consistently exceeding expectations. All floors are available as solid or engineered boards and the specialists also offer a range of beautiful patterns, including herringbone chevron and plank, as well as Versailles tiles. All wood is sourced from sustainable forests, making Forté Flooring a reliably environmentally friendly choice.
